CONSTRUCTION OF MODEL HOUSES ALONG RAMANUJA ROAD.

An estimate for Rs 11,200/- for the construction of 4 big model houses and 6 small houses was sanctioned in Trust Board Resolution No 268 dated 25-3-1942 This estimate provided for tiled roofing, teak-wood doors and shutters and brick in mud walls As these items of work were not satisfactory, it was proposed to modify the design and get substantial houses built On account of these, the estimate could not be worked out A new design is now being put up according to which seven houses were recently constructed in Krishnarajavanam, which have become very popular and people of Mysore are very anxious to get such houses in greater numbers The estimate is therefore revised for construction of 12 model houses each costing Rs 2,100/- The total amount of the estimate comes to Rs 25,200/- and the same may kindly be sanctioned early The previous estimate sanctioned for Rs 11,200/- may be cancelled
